### **Come see the FIREWORKS at American Repertory Ensemble!**

**EVENT:** As a prelude to American Repertory Ensemble's summer performance, *LINGO*, the company is holding an exclusive event for arts lovers. ARE's **Fireworks Rehearsal** is a once-in-a-lifetime opportunity to witness the moment where the sparks of creativity really ignite! During this rehearsal, **you will see the artists come together for the first time**—when they are most vulnerable to each other. Watch as nationally-renowned dancers, musicians and technicians begin to build trust and chemistry. You will experience the choreographer's moments of creativity. You will witness things as they fall apart and are rebuilt. Watch the sparks fly! Afterwards, speak with the artists. Share thoughts or ask for deeper insights. Enjoy some fine wine, eat cheese, and reflect. Life is a work of art!

**DATE:** Saturday, July 7, 3:00-4:30 p.m.

**VENUE:** Oscar G. Brockett Theatre, Winship Drama Building (NW corner of 23<sup>rd</sup> and San Jacinto streets on UT campus)

**TICKETS:** \$35 sold individually or FREE if you purchase the **LINGO Fireworks Package** (purchase a *LINGO* performance ticket and a Friday Night Rendezvous ticket and get your Fireworks Rehearsal ticket for free).
